

TURNROW TOYLAND...

Last year we began carrying a line of classic wooden toys that parents and kids loved. We've extended our selection this year to include wooden toys for babies — from **sets of wooden cars** (19.99) to a wonderful **wooden Race Car Cascade** (39.99) and a wooden **Noah's Ark** (34.00) — to gifts for bigger kids, like the elaborate **Marble Cascade** (39.99) and **Magic Set** (19.99). Durable and safe.

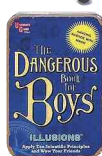

For your precocious princess we have a host of **Fancy Nancy**-related gifts — from the **Fancy Nancy Big Easy Boardgame** (18.00), **100-Piece Glitter Puzzle** (8.00) and **Card Game** (8.00) to the **pop-up Play Set** (10.00) and **Colorform** collection (8.00). And oh yes, we also have the three stupendous storybooks (16.99-17.99) and the extraordinary new **Let's Get Fancy Together** (17.99), a hand's-on girl's guide to being fabulous.

For your rough-and-tumble boy, the **Mega Truck** with lights and sounds (29.99), or build motor skills with the **Build Your Own Fire Engine** (29.99) and **Bulldozer** (32.99). The **Mighty Builders Garbage Truck and Fire Engine** (19.99 ea.) allows bigger kids to build their toys from the ground up. **Wooden Train** (11.99) and **Race Car** (9.99) model kits are fun do-it-yourself kits, and **die-cast toy tractors** (4.99) make great stocking stuffers.

Let their imaginations run wild with a variety of **Folkmanis puppets** — from dogs, horses and chickens to knights, policemen and firefighters to princesses, ballerinas and chefs, all 14.99 to 19.99. Or let them hop on a **Gallop-Go Stick Horse or Unicorn** (24.99 ea.)

We have a number of great board games, including the **Totally Gross Game of Science** (25.00), the skill-testing **Game for Boys** (30.00), the **Brain Quest** board game (24.00), and several **I Spy Memory Games** for preschoolers and older kids (16.00-20.00).

Puzzles galore, from starter puzzles — chunky, peg, cube and sound puzzles that help teach shapes, animals, colors and sounds (6.99-19.99) — to jigsaw puzzles in all sizes, from four-pieces to 12 to 50 to 300, in many different designs (6.99-12.99)

Liven up the house with gifts for the budding musician — **Band in a Box**, a 10-piece percussion set (19.99); **Learn-to-Play Piano** (49.99), and a good ole **Toy Drum** (19.99).

Bath time is a blast with a variety of toys for the tub. Kids will love to scrub with **Foam Body Soap** (5.50), and teach early grooming with **Rub-a-Dub Shaving Kit** (10.99). Rub-a-Dub also offers **Fairies** (12.99), **Fashion Dolls** (12.99) and **Pirates** (19.99) for the imaginative bather, and don't forget **Rub-a-Dub Stickers** (11.99) and **Bath Writers** (10.99) for the tub artist.
